## STUDENT HANDBOOK POLICY

I am knowledgeable of the information provided in the current KTC STUDENT HANDBOOK. It is my intention to remain familiar with its contents and abide by the rules and regulations of the Student Handbook and the Campus.

My Instructor, or a KTC Representative, has discussed the contents of the handbook and have provided instructions for locating the handbook online.

I understand that this handbook includes a copy of the "Asbestos Awareness" information included on pages 53-54 and a copy of the "Drug and Alcohol Policy" information included on pages 51-53 of the handbook.

A printed copy of this handbook was not given to me at this time; however, I am aware that upon request I can obtain a hardcopy of the handbook at no cost.

The online electronic copy is available for viewing or printing by visiting the KTC website at <http://www.ktc.edu/>.

Check her to request a hardcopy at this time.
