Position Vacancy

E.A.S.T.
Environmental & Spatial Technology Facilitator/Instructor
Poteau Campus

Primary Function:
This position is responsible for the facilitation of a career major designed to improve the student’s ability to take charge of their learning through real-world projects. This student-centered, self-directed approach challenges students with experiences to learn to effectively apply resources and problem solving strategies to real-world problems that provide value to the community. The successful candidate must possess a high degree of initiative, be open minded, forward thinking, community oriented and have the ability and willingness to encourage students to practice a high degree of autonomy and serve as resource guide and manager in providing students the opportunities to use relevant technology such as CAD, Architectural Design, 3D Animation, Video Editing, Virtual Reality, GPS/GIS, Web Design and Graphic Design to meet the challenges of the 21st century.

Minimum Qualifications:
Applicants must possess or qualify for a Provisional or Standard Teaching Certificate issued by the Oklahoma State Department of Education and approved by the Oklahoma Department of Career and Technology Education. A Bachelor’s Degree, Career Readiness Certification and CDL are preferred.

Deadline for Applying: March 11, 2016 12:00 PM Interviews by invitation only.
Demonstration of skills (oral, written & presentation) will be required.

Starting Date: August 1, 2016 (10-month position)

Salary: Based on KTC Salary Schedule. New employee will be employed initially on a Temporary Contract. (School Laws of Oklahoma 70-6-101.23)

A complete application, transcripts, educational certifications and resume’ including complete employment experience, verifiable references and other appropriate information should be sent to:
