

KTC expects and maintains high educational and instructional standards consistent with the needs of the students, businesses, industries and the ever-changing workforce. Our faculty and staff are committed to providing high quality educational opportunities in a student/client-centered environment.

KTC is committed to focusing on continuous improvement to create a culture that establishes the highest quality standards in our pursuit of excellence. We promote a district-wide understanding of customer-centered service with an aim to anticipate our customers' needs and exceed their expectations.

KTC is committed to being an organization that continually evaluates and improves its services and fosters an environment of trust and responsibility in every aspect of our operations.

KTC accepts responsibility and accountability for the ongoing evaluation and assessment of our performance indicators, measures and targeted results. KTC is committed to fiscal responsibility, transparency and efficiency in all operations and in maintaining financial efficiencies that assure the stability of the district. We take responsibility for our actions, the stewardship of resources, and adhering to the highest standards of ethical behavior.

KTC values students, faculty, staff, administration and board. We admire their individual diversity, appreciate their contributions to enhance the educational experiences we deliver, and encourage their personal and professional development

KTC is dedicated to community service, civic engagement and social responsibility by our students, faculty, staff and administration in the communities we serve. We encourage the integration of these principles in the learning experiences of our students and in the daily lives of our faculty and staff.

Vision:

KTC is recognized as a leader in CareerTech education and business excellence.

Mission:

Preparing People for Success

Core Strategic Plan for Performance Excellence
